

Dear Members

Under the rules of the Boat Owners Association we are legally bound to hold our AGM in February, giving one months notice. However due to the current situation I'm now proposing we postpone holding the AGM until such time as we are permitted to congregate again, the timing of which is still uncertain at present.

There are no major issues within the Harbour to report on at the present time and all other events were covered by the Chairman's Report in the December newsletter which I hope you were all able to download. If there are any problems or you were unable to open it then please let me know.

I have spoken to the present Committee and we are all agreed that we are willing to stand again for another year if that is acceptable to you. Again if anyone has any objections or they wish to be voted onto the Committee then please let us know as soon as possible so that we can put their name forward to all the Members.

I am attaching a copy of the Accounts for you which our Treasurer Karen May has prepared and signed and which I will ask our Chairman Charles Bronsdon to sign in advance of our AGM if you all agree they are correct and may be passed.

I am also taking this opportunity to remind all those who haven't yet paid their annual subs of £15 that they are now due. If possible I would prefer you to pay by bank transfer but I can be found at River Brede Moorings most days if you do need to pay cash. I really do not want cheques as it makes it very difficult for me to pay them in as we have no branches locally now. The bank details are as follows:

Bank:	HSBC
Account na	Rye Harbour Boat Owners Association
Sort Code:	40-39-18
Account no:	21013351

If anyone has any questions they want answered or any objections to the proposal please contact me and I will try to respond as well as is possible in these difficult times.

Stay well and safe.

Sue Bronsdon (Secretary)

**RYE HARBOUR BOAT OWNERS ASSOCIATION
